The undersigned is directed invite reference to Delhi Governments’ letter no. 76(23)/DWCD//ICDS/SNP&SAG DBT/2021-22/5333-35 dated 02.07.2021 (copy enclosed) on the above mentioned subject.

2. In regard to Delhi, it is stated that data was available for all the 12 months in respect of all the four schemes for the last Financial Year 2020-21 in the portal (wcd-dbtws.nic.in). However, the data was not entered by Delhi Government for the months of April and May, 2021 of the current Financial Year 2021-22. When this was pointed out to Delhi (WCD Department) that there is no district-wise information available for FY 2021-22, it was informed by Delhi Government that no payments are made to districts in Delhi and they cannot fill up data district-wise. However, when availability of district-wise data for Financial Year 2020-21 was brought to their notice, the Delhi Government (WCD Department) has stated that the data uploaded on the portal (wcd-dbtws.nic.in) for the previous Financial Year 2020-21 did not match with their own data and they had not filled in the data for the last financial year.

3. In view of submissions made by Delhi Government (WCD Department), it is requested to kindly check and verify the source of data uploaded by Government of NCT of Delhi on DBT portal for the Financial Year 2020-21 and the same may be intimated to this Ministry immediately.

Yours faithfully,

Subject: Re: Regarding reporting of ICDS scheme (DL1), BAF57 (Anganwadi Services-Honorarium to AWW's & AWH's on DBT portal)

This is with reference to the information required about reporting of ICDS scheme on DBT portal. The Delhi Integrated Child Development Scheme (DL1), BAF57 (Anganwadi Services-Honorarium to AWW’s & AWH’s, under which honorarium is being given to the Anganwadi Workers and Anganwadi Helpers for their services provided to the department is reporting on DBT portal [https://dbt.delhi.gov.in/] from last four years (Since 2017) and it is for your kind notice that the data is regularly submitted. On the other hand, Delhi being a metropolitan city the boundaries of district are very blurred otherwise also the Department of Women and Child Development monitoring all the centrally sponsored schemes at Head Quarters level. Hence the department is regularly submitting the report on DBT portal on monthly basis.

So as per your requirement we can’t fill up the report district wise on WCD Portal [http://wcd-dbtws.nic.in/portal]

With reg. to Status of SNP Scheme 44 under ICDS & SAG Scheme DL 42, 43 & 66(Component other than Nutrition), it is to submit that it is not a Direct Benefit Scheme as beneficiaries are provided Supplementary Nutrition Food (SNF) and payments are made by the ICDS Project Offices to NPOs who supply the SNF in a particular project. No payment is made at the District Level. Viz. component other than nutrition, the payments are made to the resource persons / vendor through ICDS project office and no payment is made at District Level.

April, 2020 to March, 2021 has been uploaded in the DBT portal for 11 (eleven) districts. Therefore, it is not clear as to why districtwise information for the months of April, 2021 and May, 2021 is not available. Kindly clarify.
